

Letter of appreciation

To

3D Engineering, Pune

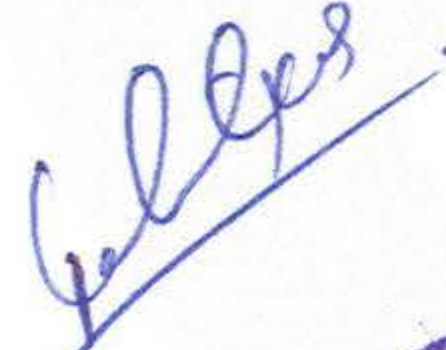

This letter is being issued to appreciate the efforts of the technical team members of 3D Engineering in supporting our installations of Siemens Software.

We invested in the UNIGRAPHICS NX Solution from Siemens, through their authorized partners 3D Engineering in the year 2008-09. We are extremely happy with the technical support provided by the team at 3D Engineering. Our design / R&D team has benefitted initially by the basic and advanced training provided to us.

In the due course of usage, 3D Engineering team was always a phone call away and our queries have been addressed reasonably.

We are extremely satisfied with the investment in UNIGRAPHICS NX and shall always recommend 3D Engineering as the preferred support / implementation partner to manufacturing companies.

Regards,

Mohit Nagavkar
