To  
Ratnadeep Shelar  
3D Engineering – Pune

Sub : Letter of appreciation

This letter is being issued to appreciate the efforts of the technical team members of 3D Engineering in supporting our installations of Siemens PLM Software. We invested in the UG- CAD Solution from Siemens, through their authorized partners 3D Engineering. We are extremely happy with the technical support provided by the team at 3D Engineering. Our design / R&D team has benefitted initially by the basic and advanced training provided to us.

The key benefit derived by us through the 3D Engineering team is – Good solution design and support and training to Users. In the due course of usage, 3D Engineering team was always a phone call away and our queries have been addressed reasonably.

We are extremely satisfied with the investment & support and shall always recommend 3D Engineering as the preferred support / implementation partner to manufacturing companies

With Regards

**Rajesh Kulkarni**
